

Encounter Days!

Join Us for Prayer and Fasting
on the First 3 Days of Every Month

What would it look like if you were intentional about spending the first three (3) days of every month encountering God through prayer and fasting? Would you experience refreshing? Would you experience power, God's power? We believe you would!

Join the Christ Church family as we intentionally seek Him for refreshing in our Mental Health, Emotional Health, Spiritual Health and Relational Health.

As you seek personal refreshing throughout your time of prayer and fasting, will you also join your faith with ours as we believe God for corporate refreshing? Our corporate fasting and prayer will focus on:

1) Souls

2) Healing, Miracles & Deliverance

3) Blessings and Breakthrough

4) Refreshing

We'll also be pressing into God through our Encounter with God services every first Friday of the month. What a way to kick off a new month—prayer, fasting and an awesome time together in His presence!
