

# 2018 FALL VISION SCHOOL

## Vision School

### **++ What is Vision School?**

Vision School is an 8-week mission training program, which meets once a week, for those who are interested or committed to missions. It consists of worship, lectures, prayer, small groups, and fellowship that aims to inform students about the current global mission condition, plant God's vision of global evangelization into the students, and train them to be missionaries in the mission field.

Vision School is a requirement in order to be able to go on Field Operation (2 weeks mission trip). It is also a pre-requisite to serve in the field as a SM (1-year student missions), YTM (1-year young tentmaker missions for young adults) as well as for adults going for 2-year Short-Term Mission and Long-Term Mission; thus, it is an important step and ministry for sending out workers to the harvest field.

### **++ Aim of Vision School?**

- For trainees to embrace God's Vision (not my vision but His vision) and to plant a global mindset on mission [Genesis 12:1-4].
- For trainees to understand God's Mission (missions) to make disciples of all nations [Matthew 28:18-19].
- For trainees to perceive the work of the Holy Spirit in mission, to receive anointing and do ministry with the strength from the Holy Spirit [Acts 2:1-5].

It's crucial that we understand why we are holding Vision School at our respective branches: "For people in my region to have and live out God's vision of preparing for Jesus's return to this earth through participating in the global mission movement." Through Vision School, it is our desire that people will understand the Father's heart for all nations to worship Him, adopt God's vision as their own, and live as intercessors and missionaries for God's Kingdom.

*"All the ends of the earth shall remember and turn to the Lord, and all the families of the nations shall worship before you. For kingship belongs to the Lord, and he rules over the nations." (Psalm 22:27-28)*

As team leaders and staff, we are not just running a program, but we are living as ministers with the vision of God. This heart, vision, and passion for the gospel to be preached to all the nations must overflow into our lifestyles as we serve, meet with people, and live our day-today lives. If we desire to see revival and commitment in our regions, we must be living out and reflecting this passion and commitment in our own lives. As we live lives that are worthy of the gospel of Jesus Christ, we can stand firm with a unified spirit and vision.

The course is \$150.00 which includes the cost of the speakers, refreshments and course curriculum materials. You may pay \$50.00 to register and the rest in instalment before the classes end.

*"Only let your manner of life be worthy of the gospel of Christ, so that whether I come and see you or am absent, I may hear of you that you are standing firm in one spirit, with one mind striving side by side for the faith of the gospel." (Philippians 1:27)*
