

# THE BLESSING

FASTING FOR BREAKTHROUGH

Monday, January 13 – Friday, January 24

The start of a new year is a great time to sharpen your focus, and together as a church family, we will be doing exactly that for a two-week period. Join us for a time of prayer and fasting that begins on **Monday, January 13** and ends with ***The Blessing Service* on Friday, January 24** (held at both Montclair and Rockaway campuses).

***The Blessing Service***  
(Both Campuses)  
**Friday, January 24 @ 7:30 p.m.**

## What to Expect

Come ready to receive your blessing! The Blessing Service will be a time of worship, celebration, and an opportunity for you to be personally prayed for by our leaders through "The Laying on of Hands," a biblical phrase that describes a practice Jesus and the apostles used to help people. During this time of personal ministry, we are believing God for life-transforming breakthroughs and a unique blessing.

**East Campus**

**West Campus**

## Choose 3 Days to Fast

We will be seeking God through prayer and by fasting for three (3) days—per week—over the next two (2) weeks. For this partial fast, we suggest that on the days you choose to fast, eat only one meal and then pray during what would have been your other meal times.

When we fast, God expands our capacity to receive His blessings by opening up our hearts and minds in a powerful way. As we believe God for personal and corporate breakthroughs, **which three (3) days will you choose to fast?**

## Prayer Points

*As you pray for God to move in a powerful way in your personal life, please also join us in praying for the following:*

- Pray that every family connected to Christ Church experiences a financial breakthrough in 2020.
- Pray that each person connected to our church family reaches at least ONE family member or friend for Christ in 2020.
- Pray that we are able to increase our student ministries' volunteer base by 200 people—so that we can more effectively minister to the next generation.
